

# A Poem

*"I destroy homes, tear families apart – take your children, and that's just the start.*

*I'm more costly than diamonds, more costly than gold – the sorrow I bring is a sight to behold.*

*And if you need me, remember I'm easily found.*

*I live all around you, in schools and in town.*

*I live with the rich, I live with the poor, I live down the street, and maybe next door.*

*My power is awesome – try me you'll see.*

*But if you do, you may never break free.*

*Just try me once and I might let you go, but try me twice, and I'll own your soul.*

*When I possess you, you'll steal and you'll lie.*

*You'll do what you have to just to get high.*

*The crimes you'll commit, for my narcotic charms, will be worth the pleasure you'll feel in your arms.*

*You'll lie to your mother; you'll steal from your dad.*

*When you see their tears, you should feel sad.*

*But you'll forget your morals and how you were raised.*

*I'll be your conscience, I'll teach you my ways.*

*I take kids from parents, and parents from kids, I turn people from God, and separate from friends.*

*I'll take everything from you, your looks and your pride, I'll be with you always, right by your side.*

*You'll give up everything – your family, your home, your friends, your money, then you'll be alone.*

*I'll take and I'll take, till you have nothing more to give.*

*When I'm finished with you you'll be lucky to live.*

*If you try me be warned this is no game.*

*If given the chance, I'll drive you insane.*

*I'll ravish your body, I'll control your mind.*

*I'll own you completely; your soul will be mine.*

*The nightmares I'll give you while lying in bed.*

*The voices you'll hear from inside your head.*

*The sweats, the shakes, the visions you'll see.*

# A Poem

*I want you to know, these are all gifts from me.  
But then it's too late, and you'll know in your heart, that you are mine, and we  
shall not part.*

*You'll regret that you tried me, they always do.*

*But you came to me, not I to you.*

*You knew this would happen.*

*Many times you were told, but you challenged my power, and chose to be  
bold.*

*You could have said no, and just walked away.*

*If you could live that day over, now what would you say?*

*I'll be your master; you will be my slave.*

*I'll even go with you, when you go to your grave.*

*Now that you have met me, what will you do?*

*Will you try me or not?*

*Its all up to you.*

*I can bring you more misery than words can tell.*

*Come take my hand, let me lead you to hell."*
